About Kristen Clark:

Founder of His
Witness Ministries

Singer/Songwriter
and Musician

Worship Leader

Public Speaker

Kristen came into her relationship with God at the age of 35 and her life has since been transformed. He gave His one and only son so that she could have eternal life with Him and in doing so He said, "Kristen, your life counts". As a result, Kristen was coaxed out of hiding and with a deep desire to write, record and express her gratitude for God's marvelous plan for salvation.

Kristen started His Witness Ministries in July of 2000 and, with the help of her beloved husband, she encourages the Christian community to use art as an expression of faith and form of witness. She is an accomplished singer/songwriter, an award-winning mixed media collage artist and a published author. Be it through color and design, poetry and prose, or a sweet song, Kristen's passion is to share her testimony with others so that those who hear and see will believe and be saved.

Kristen is an active member and strong leader within her church and community. She has experience in women's ministry and the local Alpha program leading worship, facilitating small groups and offering pastoral care. Additionally, she has a heart for helping the married community. When she is not making herself available for public and personal ministry, she spends her time caring for her loving husband and family, enjoying the company of good friends and maintaining a closer walk with Him.

Kristen is an accomplished guitarist and award-winning songwriter gifted in bringing people into His presence through music and worship. She was first introduced to the finger-picking styles of classical guitar at the age of eight, and ventured into songwriting shortly after finding her way into the arms of Christ. Her music contains biblical truths and special sentiments about His Love and Grace and she is often compared to Judy Collins and Joan Baez in musical and vocal style.

*"Regarding your (**music**) CD, I have been playing it ever since...your words give me goose bumps. We have been going through a rough time at work for the past couple of weeks – each time I get into the car and hear your CD I am reminded of God's grace and His goodness. You have a beautiful testimony!"* Listening from La Palma, California

*"Kristen Clark's 2004 offering (**The Message CD**) is nothing short of an angelic collection of her original material. Clark's mission through her music is to sing praise and profess her Christianity. Her songs are joyous and poignant, featuring her remarkable voice, as she delivers each cut flawlessly. The orchestration and arrangements are masterful and this ten-cut gem is a testament to Clark's faith. For the spiritual listener, this disc offers beauty and praise. For the new Christian, this offering is a great introduction to your new faith. Clark also offers her single, "**Goodbye For Now**," a song of hope written after the passing of a friend's mother. Kristen Clark, for the record, is married to fellow MTM member Lawrence J. Clark, who produced and performed on the single release." Lucky Boyd, My Texas Music*

*"Thanks again for **leading the worship** on Thursday and for sharing some of your own songs as well... I really sensed the Spirit all night and it was one of our best studies. Thanks for sharing your gifts and talents with us." Louis A. Markos, Houston Baptist University*

*"I want to thank you for all you did for the Holy Spirit retreat on Saturday. It was beautiful. I really felt that your **worship** pulled the whole program together. I know how unplanned and disorganized things were and how the schedule changed on a minute by minute basis. You were the one thing that didn't change. Your background music during prayer ministry was beautiful also. God bless you for coming, being an integral part of our retreat, and sharing your gifts with us." Kathy Hiatt, St. Anthony of Padua*

*"Thought I'd give you an update on the impact from **your visit to our class**. Three ladies joined our class and have rededicated themselves to the Lord's work. Each of the past two weeks have been filled with comments on how your CD is played non-stop. Several have shared the Cd's with their friends. All in all, it is clear that the Message (both the cd and the Word) is being heard" David Jennings, Monument Baptist Church*

*"Kristen, you are a true blessing to our family of Faith, and to our Women's Ministry...the **music** was incredible... your testimony and object lesson were excellent, heartwarming, genuine, and a true reflection of God's grace..."
