His Witness Ministries Three Points Art Contest: 1st Place Winner

"Hands" by Elizabeth Sapre

"Hands" is the First Place Winner of the HWM 2010 Art Contest, and is also the inspiration for the writing contest, which is now open for submissions. Please see our [Inspirational Writing](#) page for details.

About Elizabeth Sapre:

"Born in London and reared in south-east England, I have lived in Houston, Texas for the past twenty years. I discovered my gift for art as a teen, but in recent times, I have been able to pursue art more fully. Inspiration for this picture came during a time of difficulty and turmoil during my life. It represents God's faithfulness and love during this time."

"The righteous person may have many troubles, but the LORD delivers him from them all", Psalm 34:19 (NIV)
