About the Book: “*The Authentic You: Becoming the Woman You Were Created to Be*” was written because I heard so many women say things like, ‘I don’t know who I am.’ or ‘I don’t know what I want to be when I grow up--and I’m 40 years old!’ Also, I

see so many women who are just going through the motions rather than living intentionally. I am passionate about encouraging, inspiring and motivating women to share their God-given gifts with others to make a positive difference in the world.
